

Brushes - Tapered brushes

PREMIUM Shield tapered brushes

for stainless steel

Application

- + For removing rust, paint and lacquer, for cleaning welding seams and for surface preparation and finishing of stainless steel

We recommend

- + Knotted wire DW for soft materials, delicate surfaces and slight impurities

Advantage

- + Especially suitable for hard-to-reach places due to their shape and the flexibility of the plastic flaps
- + Transparent protection for maximum safety with an unrestricted view of the surface being ground
- + High-quality stainless steel wire prevents rusting of the workpiece
